

BROKER COOPERATION POLICY

Guidelines for Representing a Purchaser

Registration of client(s) is only valid for 180 days from the date of registration. If the client does not enter into an Agreement of Purchase and Sale during this period, Real Estate Agents must re-register their client(s) in order to maintain registration. It is understood that if the Agent fails to do so, the parties hereto agree that throughout any subsequent period which the client has not been re-registered, the Vendor shall be at liberty to enter into an Agreement of Purchase and Sale with the client, without the involvement, knowledge, or approval of the Agent, and without being obliged to pay a commission fee.

1. Agents may not represent clients who have already registered themselves for this community or who have been registered through another Agent.
2. Registration status will be verified prior to signing a Broker Referral Agreement with Daniels QQ Corporation at point of sale.
3. Agents must be present with their client for their first visit and at Point of Sale to be eligible to receive commission.

PLEASE NOTE: Pre-registering a client does not guarantee a specific unit or allow an Agent the right to reserve a specific suite. It does not guarantee a sale and does not guarantee a specific place in line for purchasing should one exist.

Please call 416.221.3939 should you require further clarification.
